

## Newtyne

### Newtyne Public Training Schedule in Edinburgh

Newtyne is a SAS services company based in Edinburgh's historic New Town. Our objective is to provide a full range of services to support the Scottish SAS user community, including consulting services, training and recruitment. Newtyne is an accredited SAS training partner.

**The courses that are now available at our Edinburgh Training Centre are listed in the adjacent table.**

SAS Accredited Training is your guarantee that you are choosing high quality SAS training that is supported by all-inclusive training material, led by qualified and mentored trainers, provided in a well-resourced and organised learning environment, and powered by the appropriate SAS software.

To book a course, visit [www.newtyne.com/training](http://www.newtyne.com/training) or call 0131 225 6952
